## BRITISH ARE MOVING UP ON TWO FLANKS

Eighth Army Occupies Outpost at Southern End Of 60-Mile Mareth Line

## NEW TANKS ARE HALTED

By ROGER GREENE  
Associated Press War Editor  
Field Marshal Erwin Rommel's thrust deep into the middle of the 300-mile-long Allied front in Tunisia was described as "broken" today, and a German broadcast reported that the British 8th and 1st Armies were moving up on both flanks in a developing north-south squeeze.

Gen. Dwight D. Eisenhower's headquarters announced that after four days of battle there was "very little activity" on the central Tunisian front yesterday.

Front dispatches said Allied lines north of the newly-carved Axis salient were being "readjusted" to meet the situation.

An announcement said French troops had been withdrawn from Pichon, 40 miles north of the Faid Pass region where the Germans started their drive Sunday, apparently in a move to straighten out the line and to avoid being flanked.

Overhead, Allied warplanes blasted Axis troops which had driven almost to the Tunisian-Algerian frontier. The Americans were reported now holding strong defense positions in the hills below Tebessa, which is 12 miles inside Algeria.

Sharper activity was apparently developing in the south.

A bulletin from Gen. Sir Bernard L. Montgomery's headquarters said British 8th Army troops yesterday occupied the outpost of Oum Tatahouine, at the southern end of the 60-mile Mareth line, within 24 hours after patrols scouted the area.

This indicated little or no opposition, and the British command itself made no mention of fighting in capturing the outpost.

Thirty miles to the north, Gen. Montgomery's big guns were reported shelling the Axis in the Medenine area, immediately in front of the Mareth defense works.

A Berlin broadcast, going even farther than the British war bulletin, said the 8th Army was attacking beyond Medenine.

## RAF Bombers Again Attack Coast Targets

London, Feb. 19.—(P)—RAF bombers roared back to attack Wilhelmshaven, German naval base, last night and other aircraft attacked rail lines on the continent and shipping off the coast, the air ministry announced today.

Seven planes, including four bombers, were lost in the night's operations, the ministry said.

The German high command's broadcast communique declared that in the raid on Wilhelmshaven "the population, particularly in the surrounding localities, suffered losses." It claimed nine railway stations and canal lines in France and Belgium were the coastal targets.

Besides the four bombers lost, two fighters and one of the coastal command craft failed to return, the ministry acknowledged.

(A German radio broadcast reported by the Associated Press in New York said that six enemy planes were shot down and that casualties were among the civilian population.)

Toll of 29 Dead or Missing Counted in Northwest's Worst Disaster

## 15 BODIES RECOVERED

Seattle, Feb. 19.—(P)—A toll of 28 dead or missing was counted today in the crash of a ponderous, four-motored bomber into Seattle's largest packinghouse, the worst aerial disaster in Pacific northwest history.

The Boeing bomber, one engine afire during a regular test flight, smashed into The Frye and Company plant at noon yesterday, spreading flaming death and destruction throughout the four-story brick building.

Fifteen bodies were recovered in the 12 hours after the crash of the faltering, burning aerial giant as its pilot fought desperately to get it into Boeing Field for an emergency landing. They included those of the 11 highly skilled Boeing technicians aboard.

The 11, most of them engineers, were headed by Edmund T. Allen, famed test pilot who has dared death dozens of times for the progress of aviation. He was listed as pilot on the tragic flight. He was director of the Boeing flight and aerodynamics department and often served as a test pilot for other aircraft companies.

Four Frye Company employees' bodies were recovered, but only one of them, August Hoba, was identified. Thirteen other missing workers were feared burned in the rubble of ashes and bricks. A thorough check of their residences last night showed all to be missing. (Turn to Page Ten)

## WAR BULLETINS

Allied Headquarters in North Africa, Feb. 19.—(P)—Allied headquarters announced today that after four days of battle which resulted in sweeping Axis gains there was very little activity on the central Tunisian front yesterday.

Washington, Feb. 19.—(P)—The navy announced today 40 casualties in navy forces, including 3 dead, 30 wounded and 7 missing. This brings to 23,432 the total of navy, marine corps and coast guard casualties reported to next of kin since December 7, 1941.

Lima, Peru, Feb. 19.—(P)—A new day for Peruvian rubber was envisioned today as a result of a United States-Peruvian agreement providing an air transport system to carry rubber from Peru's inland jungle to widely-scattered river and sea ports.

London, Feb. 19.—(P)—Prime Minister Churchill, confined to his bed by a cold, has acute catarrh of the upper respiratory passages, a statement from No. 10 Downing Street announced today.

London, Feb. 19.—(P)—British destroyers escorting a convoy in the North Sea sank one E-boat and damaged another early yesterday, the admiralty announced today.

Washington, Feb. 19.—(P)—Using what he called "a different approach," Chairman Vinson (D-Ga.) of the house naval affairs committee today again asked congress to do something about fees charged by "war brokers" who negotiate government contracts.

New Delhi, Feb. 18.—(P)—The most widely-used pair of general's stars in this war theatre was worn today by newly-promoted Brig. Gen. William S. Old, of Uvalde, Tex.

The stars originally were sent to Brig. Gen. Clayton Bissell, commanding the Tenth Air Force in India and China, by his wife, whose home town is Kane, Pa. She is now in Sewanee, Tenn.

Brig. Gen. John Magruder, then head of the American military mission in China, pinned the stars on Bissell.

## Favors School Age Youths To Aid Farmers

Washington, Feb. 19.—(P)—President Roosevelt said today that it was decided last August how many men should go into the army this year, and that so far as the farm labor shortage was concerned he thought use of young people of high school age could do a lot to relieve it.

The decision on the size of the army, he emphasized, was dictated by military necessity. He said it called for 7,500,000 men, exclusive of officers, by next December 21.

With other services, it was brought out in an exchange of questions with reporters at his press conference, this would mean (Turn to Page Thirteen)

Ways and Means Committee Reaffirms Approval Of Limit Repealer

## LETTER IS DISCUSSED

Washington, Feb. 19.—(P)—Brushing aside President Roosevelt's recommendation for a super-tax on large wartime incomes, the house ways and means committee today reaffirmed its approval of a bill which would repeal the president's existing executive order limiting salaries, after taxes, to \$25,000 annually.

The measure reported out would peg wartime salaries at their Pearl Harbor levels.

Today's action was taken after the committee discussed Mr. Roosevelt's letter to Chairman Doughton (D-NC), proposing that super-tax be imposed to hold wartime income (salaries and all other) after payment of taxes to \$25,000 for a single person and \$50,000 married couples.

Doughton said the approval of the bill, by Rep. Disney (D-Okla.) to put salary ceilings at their Pearl Harbor levels "finally disposed of the salary issue before the committee." Doughton opposed the Disney measure.

Disney said his measure "takes salary controls entirely out of (Turn to Page Thirteen)

## More Data On Gas Situation

Washington, Feb. 19.—(P)—Officials of the Pittsburgh Chamber of Commerce came here today to submit to the Office of Fuel Administration supplemental data on oil production and consumption in support of their request that western Pennsylvania be excluded from the three-gallon gasoline ration area.

Donald J. Howard, manager of the Chamber's public affairs division, said in Pittsburgh last night that there had been a "very slight" discrepancy between the fuel administration's figures on western Pennsylvania and those originally forwarded to Washington by the Chamber.

Howard added that the supplemental data amplified previous information furnished the fuel administration by showing sources of the original figures.

"Their own figures seem to make a strong case in our behalf," Howard commented. He said he did not know when to expect a decision from Petroleum Coordinator Ickes on the request to remove western Pennsylvania from District 1 and lift the pleasure driving ban.

## VISIT PERSONAL ONE

Washington, Feb. 19.—(P)—Madame Chiang Kai-shek said at the White House today that Americans could help the Chinese best by sending more implements of war and President Roosevelt declared this was going to be done as quickly as the Lord will let us.

President and Mrs. Roosevelt united in their press conference for the first time and the First Lady of China and the chief executive both submitted to questioning.

At one point Mr. Roosevelt emphasized the intention of the United Nations to use China actively as a base for attacking Japan, while efforts continue to snip the Japanese lines in the Pacific islands.

The governor said to how aid to the Chinese might be stepped up, Madame Chiang referred to the president's remark about as soon as the Lord will let us and said she would append the saying that the Lord helps those who help themselves.

## Speed Limit On Trucks May Be Modified

Washington, Feb. 19.—(P)—Modification of the national 35-mile-an-hour speed limit to permit trucks to rush "emergency" war-vital freight is probable in the near future, informed sources reported today.

Proposed by the war department, the plan is supported by the War Shipping Administration and the Maritime Commission, these sources said, adding that the navy department neither opposed nor actively indorses it.

Rubber Director William M. Jeffers was said to have approved waiving the 35-mile limit for a trial period of 60 days.

Under the reported plan, the Office of Defense Transportation—before issuing a "no limit" regulation for trucks speeding to keep assembly lines moving and ships sailing on time—would ask governors to take any necessary state action.

Principal responsibility for preventing abuses would rest "with truck operators, who would be given an 'emergency pennant' for (Turn to Page Thirteen)

## Workers Quit Because Of Food Shortages

Los Angeles, Feb. 19.—(P)—Testimony before a legislative committee that warplant workers in this region are quitting their jobs because of food shortages has prompted State Senator George J. Hatfield to propose that California install its own rationing system.

Hatfield, chairman of a fact-finding committee on food, told an open hearing that drastic steps might have to be taken to correct alarming shortages, wipe out the black market and maintain the war production tempo.

Georg Gore, executive of the Northrop Aircraft Corp., informed the committee that the plant's cafeteria has paid for the last two months higher than ceiling prices for meat, "and I can't tell you where I get it, for if I did we wouldn't be able to get any more; it's more important to pay the price asked, and keep quiet."

Porch Tax Experts Are Keeping Congress Busy

BY FRANCIS J. KELLY  
Washington, Feb. 19.—(P)—Kitchen porch tax experts casually mailed congress this week a couple of hundred personally guaranteed designs for financing the war.

They ranged from a levy of a nickel on every highball ("The money would roll in," its backer said) to a national lottery with tickets on sale at every post office.

Congressmen say they can't recall a time when so many of their constituents exercised the fifth freedom, or the right of every man to be his own tax expert.

## Nelson Drafts Regulations For Industry

Struggle Between Civilian And Military Production Factions Increases

## CHIEFS ARE OVERRULED

BY STERLING F. GREEN  
Washington, Feb. 19.—(P)—The team of Nelson and Wilson pushed forward today with its own program for cracking armament bottlenecks, in the face of assertedly "bitter end" opposition from the production policy-makers of the armed services.

Over army and navy protests, Chairman Donald M. Nelson of the War Production Board and his second-in-command, Charles E. Wilson, were expected in a few days to issue orders preventing a big segment of industry from making deliveries to the armed services or anyone else without WPE approval.

The services can only yield, because Nelson's power is final. But there was increasing evidence that Nelson had a fight on his hands to keep his job, as he has vowed to do "until a better man comes along."

One informed military source said he believed either Wilson would have to resign or the under-secretaries of war and navy, Robert P. Patterson and James V. Forrestal, would quit. He indicated (Turn to Page Thirteen)

## SEVENTEEN LISTED AS DEAD IN PLANE CRASH

Washington, Feb. 19.—(P)—Seventeen persons among the 21 aboard an army transport plane that crashed into the sea near an unnamed Pacific base nearly two weeks ago are listed by the war department as missing.

Lieut. Col. Powhatan M. Morton of San Antonio, Tex., was killed, but three other occupants were rescued with minor injuries.

The war department said the crash occurred February 7 approximately one mile offshore.

## Hindu Leader Is Weakening

New Delhi, Feb. 19.—(P)—With Mohandas K. Gandhi in the tenth day of his fast and reported so much weaker that he had stopped talking almost altogether, Indians gathered here for the annual conference of business, professional and educational leaders expressed hope—but only faintly—that the United States would intervene to obtain his release.

Gandhi is fasting in protest against his detention by the British, who arrested him last Aug. 9 and have kept him behind barred wire in the ornate palace of the Aga Khan at Poona.

While some of the Indians who gathered here for the conference opening today held out hope that the United States would ask the British to relent and release the Hindu ascetic, some, including Chakravarti Rajagopalachari, foremost Hindu politician still out of jail, were persuaded otherwise.

From the meeting here it was expected that a simple resolution would be sent asking for the release of Gandhi and other imprisoned Nationalist Congress leaders.

Tax Reduction of at Least \$40,000,000 is in Prospect

## READY WITHIN A WEEK

Harrisburg, Feb. 19.—(P)—A slash in Pennsylvania general governmental costs of \$78,000,000 and a tax reduction of at least \$40,000,000 was the prospect held out today by Governor Martin for the two-year fiscal period starting June 1.

A general fund budget of about \$235,000,000 as compared with \$413,000,000 for the current biennium will be presented to the legislature next week, providing the saving in commonwealth expenses, Martin said.

An over-all commonwealth budget of \$500,000,000 against the current one of \$613,000,000 was indicated by his announcement.

The general fund does not include special funds such as the motor vehicle, game, fish and milk commissions and liquor control board, the receipts of some of which are affected by the war.

On taxes, Martin said at a press conference yesterday he was "giving very serious consideration to repeal of the mercantile tax to help small business" which now brings in \$8,000,000 each biennium. Previously he said he would ask elimination of the personal property, bank shares and corporate loans taxes, providing a \$32,000,000 saving.

The governor added the amount of tax reduction had not been decided definitely. A \$40,000,000 tax cut would leave some \$38,000,000 based on estimated receipts in this biennium—either for further tax reduction or to take care of anticipated tax revenue decreases.

Martin said the budget would include appropriations both for administration by the state and by the counties of unemployment relief because of his proposal to shift the program to local communities.

One relief plan under study, he (Turn to Page Ten)

## Vice Cleanup Is Staged In Philadelphia

Philadelphia, Feb. 19.—(P)—Det. Sgt. Clarence Ferguson announced today that police vice raiders smashed an illegal operation ring, discovered two "crude, makeshift hospitals" and transferred five women patients to city institutions in raids on two mid-city residences yesterday.

A man and three women are under arrest, Ferguson said.

The raids came in a renewed city-wide vice campaign begun after the Philadelphia navy yard officer blamed "teen age glamor girls with a misguided patriotism" for a 200 per cent increase in two months in the syphilis rate among navy men visiting here for recreation.

Ferguson said Roy (Doc) Cross, 37, was charged with performing illegal operations, and Mrs. Anna Yost, Florence, 43, a registered nurse, was charged with being accused of aiding and abetting. All were called for hearings today.

On the second floor of one residence, on 16th street near Oxford, Ferguson said the raiders found "a crude operating room and a number of surgical instruments." There was a "crudely outfitted operating room" in the second house, in Spruce street near 45th street, Ferguson added, but there were no sick women there.

After the meeting Frick disclosed he had assured a certain group "the club is yours" and expected to close the deal within a week.

Cox told newsmen today that 10 persons were associated with him, including Lieut. W. Potter Wear of the Naval Intelligence Section at Philadelphia.

## Auto Owners In State Benefit By Flat License Fee Measure

Harrisburg, Feb. 19.—(P)—The flat \$10 registration fee for all passenger automobiles established by one of the first three measures of the 1943 legislature to become law will result in varying savings to motorists.

The revenue department estimated 21.7 per cent of the 1,800,000 passenger cars now registered are now in the \$10 registration fee class and will not be affected.

The fees for another 34 per cent or 612,000 automobiles will be cut from \$2 to \$2.40.

Approximately 250,000 Huns Reported Fleeing Along Narrow Coastal Route

## MORE TOWNS RETAKEN

On the Russian front, Gen. Nikolai F. Vatutin's Red armies slashed more than half way through the 70-mile-wide German "escape corridor" from Rostov, driving to a point only 25 miles north of Taganrog on the Sea of Azov.

Taganrog, 40 miles west of Rostov, was the stumbling-block of the Soviet counter-offensive in 1941 when the Russians recaptured Rostov for the first time.

Dispatches said Taganrog's lifeline was severed with the Red army's capture of Matveev-Kurgan on the rail line to the north.

"West of Rostov, our troops kept developing their offensive and captured several populated places," the Russian command said.

(The German high command communique broadcast from Berlin said the Russians maintained attacks on the Donets front, in the area of Khar'kov, southeast of Orel, southeast of Lake Ilmen, south of Lake Ladoga and near Leningrad, were variously declared to have been repelled or "frustrated." The communique asserted that German attacks south of Novorossisk, the last major Caucasian port in the invaders' hands, "gained further ground." German bombers again attacked the Arctic port of Murmansk with good effect, it said.)

Approximately 250,000 German troops, driven from Rostov last Sunday, were reported fleeing along the narrow coastal corridor.

With the Germans apparently falling back in all haste toward the Dnieper river—under hammering assault by the Red army's "wild greatness," as Nazi Propaganda Minister Goebbels termed it—Soviet headquarters reported (Turn to Page Ten)

## Deal For Phils Nearly Closed

Philadelphia, Feb. 19.—(P)—William D. Cox, 33-year-old New York City lumberman, conceded today that "I'm the lucky one" in bidding for the Philadelphia Phils but said "the club still isn't signed, sealed and delivered to me."

Cox, president of Philing Associates, Inc., came here yesterday but remained in the background while Ford Frick, president of the National League, bought in 4,690 shares of Phils stock, accepted Gerry Nugent's resignation as president, and appointed a five-member board of directors to handle the club's affairs until a new owner is definitely named.

After the meeting Frick disclosed he had assured a certain group "the club is yours" and expected to close the deal within a week.

Cox told newsmen today that 10 persons were associated with him, including Lieut. W. Potter Wear of the Naval Intelligence Section at Philadelphia.

## Tidioute Flyer Is Winner Of Air Trophy

There is considerable local interest in the news that Captain E. Justin DeVore, executive officer of the Maryland and District of Columbia wing of the Civilian Air patrol, is the winner of the annual trophy awarded by the National Air Derby to the person who did the most to promote civilian aviation in that area in the year just past.

Captain DeVore is the son of Mr. and Mrs. Harry DeVore, of Tidioute and was born at that place. Although he has been in the nation's capital for the past 16 years, employed there as assistant circulation manager of the Star, he has made frequent trips home and is well known in both Tidioute and Warren.

He will receive in a formal presentation some time in March the trophy which was awarded for his work in organizing the area CAP and in interesting private pilots in CAP work.

It is interesting to note that Charles I. Staaten, administrator of the Civil Aeronautics Administration, won the trophy last year.

## Zonta Club Makes Record In Campaign

Following a well attended and busy luncheon-session at the YWCA activities building, members of the Zonta Club turned over to H. B. Meacham, treasurer, the sum of \$1,059.45, collected in the annual March of Dimes for infantile paralysis.

Final reports presented at the business meeting showed that \$477.35 of this amount was raised in Warren through the street tag sale, \$297.10 in various canvasses in county communities and the remaining \$285 in special gifts.

Theatres here will have their own March of Dimes collections and Zontians were asked to supervise this activity because of their splendid attainment.

Mrs. Jessie Davidson conducted the meeting, which followed luncheon at a table attractively done in patriotic style by Mrs. Rocena Stone, chairman. Mrs. Davidson extended a welcome to one new member, Dr. Julia Kreche, and announced nominations for district officers.

For the program, Mrs. Stone presented Mrs. Harold Flowers in a fine history of English music which she illustrated by playing compositions of various periods. Assisting her was Mrs. Everett Borg, contralto, who sang "All Through the Night," "Drink to Me Only With Thine Eyes" and "Loch Lomond."

Zontians will join with other service clubs in the luncheon honoring American Legion and Auxiliary heads on Monday.

### Manila Rope Needed By the Armed Forces

A special drive for manila rope, in great need by the Armed Forces, has been started in Western Pennsylvania. Albert H. Burchfield, Jr., area director for the War Production Board, announced today.

Manila rope, which is the only kind of rope strong enough to do certain jobs for the Army, Navy, and Maritime services, officials say, is getting scarce and the government wants to buy all excess supplies in the hands of business concerns and other owners.

High quality rope, containing manila fiber is urgently needed for use on warships, troop ships, cargo vessels and in engineering projects, according to Mr. Burchfield.

A. H. Cline, Jr., 801 First National Bank Building, has been authorized to act as purchasing agent for the government in the drive here.

## Names of Additional Blood Donors Requested By Warren County Red Cross Chapter

Names of additional volunteer blood donors are urgently requested by the Warren County Chapter of the American Red Cross. Some 350 new donors are needed, many of them by March 23rd.

Information to this effect was contained in a letter received from Buffalo Headquarters by Melvin G. Keller, chairman of the Blood Donor Service, this morning. Volunteers who wish to sign up for this important bit of war effort are urged to fill out registration blanks promptly. Blanks may be found in all of Warren's drug stores.

As Red Cross headquarters has pointed out, more than 4,000,000 pints of blood plasma will be needed by the Army and Navy this year. And, this quantity is likely to increase as the needs of the combined services, spread out on so many fronts, grows heavier. The estimated weekly demands of the two services is now 70,000 pints. And, the individual donor can only give five times a year.

Since the inception of Blood Donor Service in Warren last November two successful visits have been made by the mobile unit from Buffalo. The last visit, less than a month ago, was of two days' duration. In that period over 350

donations were received. Next month the unit will be here for another two day period on March 23rd and 24th. On the first day's visit it is hoped to call upon those volunteers who gave in November. While the majority of these persons have agreed to make donations again some have moved from town, others are now in the service and there have been other losses. For the second day's donation the local committee will want a new lot of volunteers who have not as yet made donations.

Each month thereafter the mobile unit will spend two days in Warren and by the acquisition of some 350 additional volunteers it is hoped that there will be a sufficient number available to keep work moving along. In this way it will not be necessary to call upon individuals more than five times yearly.

Officers of the local Chapter are pleased, as is the reception center in Buffalo, at the response received in Warren. It is hoped that the names of additional volunteers received in the next few days, will swell the total of donors to a point where the continuance of this important Red Cross activity may be perpetuated 'til the war's end.

## Tribute Is Paid Rev. Davidson By the Warren Kiwanis Club

Wednesday's meeting of the Warren Kiwanis Club at the Carver Hotel honored Rev. J. A. Davidson, member of the club, who will within a short time leave Warren to accept an appointment in the armed service. Rev. Davidson will be a commissioned officer in the chaplain corps.

Honorable A. D. Wade, president of the Warren county, and chairman of Kiwanis public affairs and wartime citizenship committee, complimented Rev. Davidson for his outstanding achievements in the community, and in a very natural and unpretentious, however, eloquent talk, Judge Wade expressed the Kiwanians' mixed sorrow and joy in granting a military Kiwanis membership to Dr. Davidson. A gift together with a card signed by all the Kiwanians was presented and accepted by Dr. Davidson, who on that occasion remarked that he felt if he could fulfill the objects of Kiwanis, which are: "To give primacy to the human and spiritual, rather than to the material values of life. To encourage the daily living of the Golden Rule in all human relationships. To promote the adoption and the application of higher social, business and professional standards. To develop by precept and example, a more intelligent, aggressive and serviceable citizenship. To provide through Kiwanis Clubs, a practical means to form enduring

friendships, to render altruistic service and to build better communities. To co-operate in creating and maintaining that sound public opinion and high idealism which makes possible the increase of righteousness, justice, patriotism and good will," that it would be beneficial in his endeavors.

H. D. Baker reported to the club on the Kiwanian delegation that met the draftees' train last week to greet military member E. H. Miller, who was enroute to an army post.

C. C. Winans, chairman of the March program committee, announced a program for father and son week to be used the first week of March. Details are to be given next week, but it is expected that members and their sons will jointly attend this session that will include an appropriate program.

The SEB Club-Times-Mirror Junior Commando, under the able direction and guidance of Dr. J. R. Elliott, is progressing. Dr. Elliott announced that they have all material on hand and it is in use. The next meeting is on Saturday evening, Feb. 20th, at 7 o'clock and Kiwanians are urged to attend.

Giving a series of war sound films arranged by J. A. Blomquist proved very interesting to the members. This feature was sponsored by the Atlantic Refining Co. The movie projector was operated by Billy Lightner and Keith

## Junior Commando Group To Get First Job on Saturday

Colonel Russell Elliott, of the Junior Commando Group of the Saturday Evening Boys Club will give the Commando Soldiers their first assignment tomorrow evening at the meeting of the club. Colonel Elliott has been busy this past week endeavoring to get everything shipshape so that the green light may be given the movement here.

Already sufficient arm bands have been received for the original group but as yet there has not been enough application blanks received from the Pittsburgh Post-Gazette for the signing up of the large number in the city that desire to become Commandos. Until they are received the Colonel is somewhat mystified as to just what to do as scores of boys and girls are even calling at his home

anxious to sign up and get to work.

It is presumed that the first job to be given the Commando group will be making house to house calls for books for the Victory Book drive. The need of books is great and the Commando Command has turned loose the boys and girls in an effort to secure books. To that end when the Warren Commando outfit gets busy next week everyone should have a book ready for them.

Colonel Elliott is endeavoring to get some man lined up to take over the detail work and to direct the efforts of the young workers. In the Pittsburgh area the Commando book gatherers have already rounded up thousands of books for the soldiers in camps, on the sea and on the battle lines and it is going to be interesting to see the results that are secured in Warren.

The Kiwanis Club and The Times-Mirror is at work sponsoring the Commando movement here and from all appearances "something has been started" as the enthusiasm of the boys and girls is unbounded.

#### YOUNGVILLE

Youngville, Feb. 19—The 11 a. m. morning service at the Methodist church Sunday Feb. 21 will be conducted by the men of the church. There will be devotional talks on timely topics and special music. All members and friends of the church are urged to be present for this service.

#### CLUB ENTERTAINS

The Chemistry Club of the Youngville High School held its weekly meeting Wednesday in the form of a party at the home of their sponsor, Mrs. Sandblade.

Charles James, the speaker of the evening, gave a very interesting talk on the use of Chemistry in Pharmacy.

After which there followed a short business meeting. The rest of the evening was spent in playing games and a lovely luncheon was served by the hostess.

#### LOCALS

Gerald Hyde, son of Mrs. Florence Hyde, received his call to go to the navy having previously passed his examinations. He left on Thursday morning and expects to go first to Sampson for training.

Jack Dove has been having a severe attack of the measles with high fever. He came home from camp for a short furlough but because of this illness has had his furlough extended.

### CONGRATULATIONS, L. O. O. M.!

An important milestone in the history of Warren Lodge No. 109, Loyal Order of Moose, will be reached Sunday when the organization will stage a "Mortgage Elimination Celebration." With a membership of over 1,000, no organization has made greater contributions to the welfare of the community by assisting various agencies such as the Red Cross, Community Chest, Warren General Hospital, Boy Scouts, Y. M. C. A., Y. W. C. A., churches, Infantile Paralysis Fund, War Emergency funds and others too numerous to mention.

The lodge was organized in April, 1909, with 200 members in the charter class, which was initiated in a hall in the Allen block. Later quarters were secured in the I. O. O. F. building, and when the Elks completed their new home the Moose rented the hall vacated by that order. In 1920 this building was purchased from the late Mrs. C. D. Crandall. During the fall of 1927 and spring of 1928, the structure was remodeled at a cost of \$90,000. The indebtedness which amounted to approximately \$50,000 at the time has now been satisfied and the mortgage will be burned Sunday in connection with a large class initiation. It is interesting to note that since the Lodge was chartered more than \$65,000 has been paid to members in sick and death benefits.

Our congratulations to the officers and members of the L. O. O. M. who have made this important event possible.

### MADAME CHIANG KAI-SHEK'S APPEAL

No nation ever has had a more moving pleader of its cause than the gifted, heroic woman who received an ovation when she appeared in Congress yesterday to tell of the urgent need of Japan's destruction.

A poignant aspect of Madame Chiang Kai-Shek's appeal is that it was made to an audience, the American people, which was already convinced of nearly everything she said and which wishes fervently it could accept the rest, her insistence that Japan's defeat should come first.

In the nation, in Congress and in the highest levels of the government there is almost complete agreement with Madame Chiang as to the peril of giving Japan time to exploit her stolen riches, the heroic role of China through nearly six years of war, the desirability of coming to her aid now with all available resources. Overwhelmingly Americans are agreed on the desperate necessity of striking at Japan now.

But it is a question of relative urgencies. The United Nations are fighting two terrible foes, and among the Occidental members of the alliance the majority believe the European enemy must be crushed first; that this would dispose of the menace most directly affecting our civilization and offer the best prospects of ultimate, complete victory.

If there was a feeling abroad recently, as a consequence of Hitler's defeats in Russia, that the Nazi peril had been overrated, events in Africa should have dispelled it.

The defeat of the relatively untired American forces in central Tunisia is a reminder that the German army remains a terrible force and that there can be no delay in our concerted action to destroy it. And while that remains true the United Nations simply have not the resources to engage Japan on a like scale. So they must ask the Chinese to hold on a little longer until the limitations now imposed on our help can be removed.

Allied reverses in Africa do not make pleasant reading, compared with the sweeping Russian successes at the same time. Nevertheless, an exchange reminds, "while casualty lists are not the kind of news we like to read, Americans unafraid to face the truth, must realize there's a price to pay for every worthy achievement, and often the price is life itself."

That "Consumer Declaration" form is being printed on another page of this issue today for the benefit of those who may have neglected to clip it Wednesday. Cut it out and fill it in for presentation to registration officials when you apply for your No. 2 Ration Book next week.

Understand the Junior Commandos are to receive their first assignment at the meeting tomorrow evening at the Y. M. C. A. Just what it is to be seems to be along the lines of a military secret, but it's a forgone conclusion the Commandos will carry through like true soldiers.

According to the list, quite a number readers were born on Washington's birthday!

## What It Means

By JOHN GROVER

YOU'll hear more of the animal protein versus vegetable protein argument as food production takes stage center in the growing months.

Just now this is a behind-the-scenes discussion of no little moment in the Department of Agriculture. It's going to decide whether you eat a lot more beans, soybeans and peas and a lot less meat.

The 1943 "goals" of the food production program call for whopping increases in meat, milk and eggs, the animal proteins. The record output of these products in 1942 is scheduled for sharp upward revision, particularly in hogs, eggs and meat chickens.

Bean Increase Scheduled

The production of soybeans, dried edible beans and peas is also marked for increase over the 1942 record crops, but advocates of vegetable protein say the scheduled increases aren't anywhere near enough. They're whooping it up to turn the country into a vast beanery, and they're advancing some potent arguments.

First, time is on their side. The humble bean has the advantage of quick maturity. Two and some times three crops of beans can be raised in a year. Meat production has a longer cycle. Feed and fodder raised this year aren't translated into edible meat until next year. The vegetable protein boys say we can't afford the time lag in wartime.

Second, there's the farm labor question. Cows, chickens, pigs and sheep require pampering before they become roasts, cheese and omelets. Dairy products require an exceptionally high labor quotient, not only in production but also in processing. Meat and egg production likewise require skilled help. High school kids and women, the only sizeable remaining reservoir of labor, can't become experts in the moo and cluck department just by reading a pamphlet.

The utilitarian bean overcomes

most of these difficulties. Unskilled labor can be utilized to a large extent in growing the poor man's caviar. The bean boys say the same man-hours will produce more edible protein if utilized in bean production than in meat, milk and eggs, and do it faster.

Beans do not require extensive processing, either, saving secondary labor. Once they're threshed and cleaned of foreign matter, they're ready for the kitchen.

To top it all, the pro-bean bloc throws the 1944 plans of the food production bosses into the discussion as argument for greatly expanded vegetable protein production in 1943. Tentative plans for 1944 do call for a marked switch from animal to vegetable protein production.

Labor Uncertain

The vegetable protein advocates say the labor situation has changed so fast, and is so uncertain, that we can't afford to wait until 1944 to go all out for beans. The meat people admit the virtues of vegetables but say it's too late to change the program now.

The vegetable people contend that the 1943 meat, milk and eggs goals cannot be met, or the 1942 production even equalled, with the present labor supply and farm machinery quotas. They cite the ominous trend noted all over the country that many farmers are abandoning dairy and meat production due to labor shortages.

So they argue to an increasingly attentive audience that all new, unskilled labor recruited for farm work should be channeled into production of vegetable proteins to cushion the probable shortages in animal protein output.

They would not request any official curtailment of meat production, dairy products or eggs. Far from it. They urge that production of animal protein be facilitated by every government aid possible.

But they also argue that everything points to animal protein shortages, and that the only prudent course is vegetable protein "insurance" against serious protein deficiency in the national diet.

Piso's PLUS-ACTION\* Explodes Theory That Cough Medicine Only Soothes Your Throat!

The very first spoonful of Piso's brings soothing comfort to your irritated throat membranes. But you also get an important plus-action in this modern formula Piso's

\*Piso's actually stimulates your system to produce more protective secretions in your throat and upper bronchial passages. These normal fluids thin and liquefy thick, clogging phlegm... it's more easily flushed away... your cough is "loosened!"

Depend on Piso's (Pie-so's)... not on its local "throat soothing" action alone... but for its more important inside-working systemic effect. Piso's is good for adults and children. At all druggists in 35c-60c bottles.

# What You Buy With WAR BONDS

Peace time pursuits, and peace time luxuries are on the shelf for the duration of the War . . . and until glorious Victory comes to the United Nations. So you women who have had your hearts set on the purchase of an electric sewing machine must wait until peace comes.

New electric machines are out until after the war and manufacturers are producing War goods. Buy War Bonds now, however, and save the purchase price of an electric machine for after-the-war purchase. Buy more and more War Bonds every payday. "You've Done Your Bit, Now Do Your Best."

## New System of Fire Alarms Is Arranged

In the communities where air sirens are used for fire alarm purposes confusion during air raid alarms had arisen during the past few months in the state. To that end the State Defense Council today notified county and local councils a new uniform fire alarm consisting of three five-second blasts at three-second intervals had been established to avoid confusion with air raid warning signals.

"The Third Service Command had recognized the necessity for an audible alarm to summon volunteer fire departments to their stations for ordinary fires, not occurring during an air raid or practice air raid, or a blackout or practice blackout," the council told the local groups.

"This alarm may be repeated once, and only once, after an interval of not less than 30 seconds. No other audible fire alarm involving the use of horns, whistles or sirens will be used at any time."

## Odd Fellows Honor Men In U. S. Services

Sugar Grove, Feb. 16.—About sixty-five invited guests and members attended were present at the I. O. O. F. hall Friday evening, when a service flag and an honor roll were dedicated.

The service flag with its stars representing members of the I. O. O. F. Lodge, had four stars for Charles Kipple, Vincent Carlson, Norman Abbott and William Miller. The honor roll bears the names of sons and brothers of Rebekahs and Odd Fellows and has sixteen names.

F. A. Schoonover acted as master of ceremonies. Musical numbers were given by Ray Abbott, Mrs. Delmar Mickelson and Mrs. Frank Richmond, with Mrs. Neil Scott as accompanist.

Mrs. Carleton Foss gave two readings, "Father's Necktie," and "Abraham Lincoln."

Mrs. Schoonover in introducing Dr. G. M. B. Bradshaw of Panama, N. Y., who was the speaker of the evening, spoke of the service of Dr. Bradshaw in World War I and also as a member of Coldbrook Lodge for the past thirty-eight years.

Charles White, no. 12 grand of the I. O. O. F., read the names of the men represented on the flag and Mrs. Jennie Weisbrodt, noble grand of the Rebekahs, presented a flower to their mothers, the order being reversed, with the honor roll names being read by Mrs. Weisbrodt. The program closed with prayer by Rev. Foss. The service flag of World War I was also displayed. A social time followed with supper being served at tables with valentine decorations.

World War I service men and families and families of service men were guests. Private Norman Abbott, stationed at Camp Edwards, Mass., who is spending a ten-day furlough with his parents, Mr. and Mrs. J. E. Abbott, was present.

Mrs. John Stuart entertained the N. B. Club Thursday evening.

Three tables of bridge were played with prizes going to Mrs. Conrad Youngberg and Mrs. Ralph Abbott. The hostess served dainty refreshments. Mrs. Clarence Sheppard will entertain the next meeting.

Mrs. Robert S. Cumming is a patient in the Jamestown General Hospital. Mrs. C. L. Veness has returned from Jamestown and is keeping house for her brother, Mr. Cumming.

Joe Murray was inducted into the service and left Jamestown last Thursday.

The fire company was called to the home of Robert Capron, on Dalrymple Hill, at two o'clock Friday afternoon to extinguish a chimney fire.

Mr. and Mrs. Conrad Youngberg entertained several young couples Saturday night in honor of Private Norman Abbott, who is home on furlough from Camp Edwards, Mass. Out of town guests were Miss Viola Holmberg of Warren and Mr. and Mrs. Laurence Abbott of Lakewood. The evening was spent socially and delicious refreshments were served.

## You Women Who Suffer From HOT FLASHES then CHILLY FEELINGS

If you—like so many women between the ages of 38 and 52—suffer from hot flashes, weak, dizzy, nervous feelings, distress of "irregularities," are blue at times—due to the functional middle age period in a woman's life—try taking Lydia E. Pinkham's Vegetable Compound at once. It's the best known medicine you can buy that's made especially for women.

Pinkham's Compound is famous to relieve such distress. Taken regularly—it helps build up resistance against such annoying symptoms. It also is a fine stomachic tonic. Thousands upon thousands of women—old and poor alike—have reported benefits. Lydia E. Pinkham's Compound has proved some women's happiest days often can be during their "40's." Follow label directions. Worth trying!

## Legion Auxiliary Bond Drive Ruoss Speaks About to Swing Into High To Young Folk At Service

The War Bond Drive by members of the American Legion Auxiliary of Chief Complanter Post No. 135 will swing into a new high over the coming weekend.

Mrs. Elmer Munksgard, Auxiliary chairman for this ambitious project, stated there are two reasons for the upswing which will be reached this weekend. The first is the necessary if Warren county is to reach their quota of \$18,000. In the first place but a little more than a week remains to reach the quota. Secondly, it is hoped that the Auxiliary members will have a good report on sales at the time the Department President, Mrs. Archie W. Miller, makes her annual visit to Warren County next Monday.

Members of the Auxiliary report that they are receiving excellent cooperation on all sides. An attractive window display, to further promote sales, has been set up in the Miller Dress Shop, 223 Liberty street. High school groups and younger school children are endeavoring to complete stamp books; that they might be translated into War Bonds before the month end. Church groups, civic clubs and others are united in an all-out effort to actively push the sales of Bonds in the short time remaining.

The state-wide goal of the Auxiliary is \$3,000,000; representing 15% of the state's quota for the month. The aim is to buy a submarine for the U. S. Navy, in which will be placed a plaque, giving credit to the countless number of donors who will have made the gift possible. For this reason state officers of the Auxiliary are requesting that all women working on the sale of Bonds secure the full name of each bond-purchaser, that an accurate record may thus be kept.

Young ladies of the social committee will serve a light supper at six o'clock for the boys and young men, accompanied by their fathers. Members of the two Boy Scout troops and men on the troop committee have been invited, also. The young people's orchestra, directed by Harry Summers, will play two numbers and the junior choir will sing. Boy Scouts will have a part in the service.

Following the Church of Tomorrow there will be, at eight o'clock, the first session of a "class for everybody" which will follow a course of studies, each one-half hour in length, through Lent. "Some Types We See Near Calvary" will be the general subject for study of the lives of those concerned in Jesus' last days and death.

Sunday morning topic at this church will be "Washington and Lincoln—And You."

SAVE \$1.50 on each year's subscription paid to the Times-Mirror, Friday and Saturday, Feb. 19th and 20th. Office open Saturday night 'til 9 o'clock.

## Ali-We-Je Club Has Talk By School Head

The education committee of the Ali-We-Je Club with Mrs. H. B. Pettit as chairman, Miss Daisy Branch, Miss Elizabeth VanLuvane and Miss MayBelle Bairstow, planned a most interesting program for the regular dinner-meeting last evening. When the superintendent of schools, John G. Rossman, gave a timely talk on changing maps.

During the business meeting, presided over by the president, Mabel Swanson, plans for the March session were discussed. This meeting will be in charge of the finance committee. The budget for the club year was also presented by the chairman of the finance committee, Maye Wells.

The nation-wide banquet, which will be held by the business and professional members of the YWCA in all associations in the United States, will take place on Tuesday, March 9, and the representatives of the local board members, business women, Miss Doris Peterson, Miss Rowena Sammel, and Miss MayBelle Bairstow, will have charge of the program and planning for the observance in the Warren association.

The table decorations last evening, in keeping with the talk given by the guest speaker, were very attractive in a center piece of flags of various nations, illuminated globes and map place cards.

**NEWS ABOUT TOWN**  
The Robert Kinnear Relief Corps will hold its twelve dinner meeting on Thursday Feb. 25, at the home of Mr. and Mrs. Floyd York.

Cleon Wood, who was recently inducted into the armed forces came home from New Cumberland over the weekend.

Mr. and Mrs. L. W. McCanna were called to Sigel, Pa., Wednesday by the sudden death of Robert McBride, Mrs. McCanna's brother. They will attend the funeral service to be held in Sigel.

**SELLING WAR BONDS**  
The ladies of the American Legion Auxiliary of Youngsville are making a special effort to sell war bonds during February. An executive meeting of the Auxiliary to formulate plans for the sale was held Wednesday at the home of the secretary, Mrs. Warren Jones. The State American Legion Auxiliary is making an effort to sell three million dollars worth and Warren county's share is \$1800.

First reports of the sale efforts are to be given at the joint meeting of the American Legion and Auxiliary to be held in the Legion Hall on Tuesday evening, Feb. 23rd, which is to be a patriotic occasion to honor George Washington.

## IRVINE

Irvine, Feb. 12—Not only is this month Lincoln's birthday but our town has many in this month. On the 9th of two of our citizens passed birthdays, Mrs. Elmer Patch celebrated her birthday with a party in the evening much enjoyed by all and John Clark was remembered by his wife on Monday evening when she served a delicious family dinner in honor of his birthday. The out of town guest was their son, Mr. and Mrs. Kenneth Clark and family of Youngsville.

We also have a Valentine birthday on Sunday. One of our prominent citizens, Fred Wilson, will pass his birthday. He will no doubt be served a delicious dinner.

Mr. and Mrs. Kulbacki, former residents of this place, but lately of Youngsville have purchased the little house on Church street lately occupied by the Elmer Patch family and moved into the same late Saturday. Glad to welcome them as permanent residents now, Mrs. Patch and children have moved in with her parents, Fr. and Mrs. William McCauley on Scott St.

Another one of our boys Carl, 20 years old, son of Mr. and Mrs. Clinton Johnson, corner Scott and Erie avenue, left a week ago this morning (Friday) to join the army service.

Last Sunday Mr. and Mrs. Julian Stuart of Jefferson street, Warren, had his mother and sisters Bettie and Ruth to spend the day and evening and on Wednesday they again had his mother for the same time.

Richard (Dick) Johnson, son of Mr. and Mrs. Harry Johnson, Main street, spent a week vacation at home from Ann Arbor, Mich. college. He returned Sunday and Wednesday came back home, he being in the draft, they decided it was better to await further developments before going farther.

Mrs. Evelyn Westfall of Tidoute RD 1 is visiting Mrs. Inez Westfall, Main street.

Word has been received from Elmer Patch who is at Cressen Sanitarium that he is improving satisfactorily. Good news.

Clair Christie, son of Mr. and Mrs. Robert Christie, left last week for Erie, where he has a position.

Community Observance Is Planned By Fathers and Sons

This year for the first time in many years, Warren will have a community-wide observance of Father and Son relationships in conjunction with the nationally celebrated Father and Son Week, February 21 and 22. The Y. M. C. A., Civic Clubs, and Boy Scouts are all cooperating to make this week meaningful in the life of our community. In the press of our emergencies the relationship between Fathers and Sons is being overshadowed by the serious problem of preserving the traditions and ideas of the American way of life. Many fathers are busy making a living; they are trying to make a life, either for themselves or their sons. Business strain, defense activities etc., are robbing boys of the fellowship of their fathers. Yet today, more than ever before, boys need the guidance, understanding, and companionship of their Dads.

The following programs have been arranged to meet the evident need throughout the community for planned activities for fathers and sons to gain some of the deferred companionship. The manager of Warren is urged to take one out in the coming week—an hour or two—to learn more about each other in a wholesome atmosphere of serious thought, fellowship and fun.

Sunday, 21st—Fathers and Sons attending church and Sunday school in a body. First Baptist church, United Brethren church, Unity Memorial, sons assisting in church service, First Methodist church, Special Sunday evening service, First Presbyterian church—Fathers and Sons meet for social hour at 6 o'clock, attend special service at 7 p. m. Meryl Ruoss, M. C. A. will be the speaker.

Tuesday, 23rd—Father and Son Banquets: Grace Methodist church—6:30 p. m., speaker will be Lee Smith, pastor of First Methodist, Jamestown. St. Paul's Lutheran church—6:30 p. m. Speaker will be J. A. Davidson, D. D., pastor of First Baptist, Warren.

Wednesday, 24th: Warren Hi-Y Club—Fathers will be guests of members. J. G. Rossman, superintendent of schools, will be the speaker, 7:30 p. m. at the Y.

Thursday, 25th: Salem Evangelical church—Father and Son Night, 7:30 p. m.

Friday, 26th: Y. M. C. A.—Father and Son Night—7:30-9:00 p. m. An evening of fun and fellowship. Refreshments, too!

Saturday, 27th: Open house at the Y from 1 to 5 p. m. Swimming, pool, ping pong, etc. Sons admitted free to the basketball games at 7:30 if accompanied by their Dads.

Due to precedent of long standing the Service Clubs are giving their meetings in this week to the State Commander of the American Legion. Therefore they have postponed their Father and Son events to the following week. The Kiwanis Club has planned a special meeting with their sons present for Wednesday, March 3rd. Rev. J. A. Davidson will be the speaker at this meeting. This will probably be his last public appearance before entering the U. S. armed forces as a chaplain. Plans of the other clubs have not been completed as yet.

First home of European civilization is said to be the island of Crete in the Mediterranean Sea.

**TWO SMALL WRECKS**  
Two small auto wrecks with minor damage were reported by the local police yesterday afternoon. At 5 o'clock two cars tangled near the Emblem Oil station on Third avenue with damage to both cars of about \$40 and at 5:15 two others tangled near the Loblaw grocery with damage of about \$15.

**AUTO ON FIRE**  
An automobile owned by R. E. Still caught fire at the corner of Dartmouth and Madison street yesterday afternoon at 2:30. The car, a Dodge sedan, blazed about the carburetor but the emergency truck from the Central station extinguished the fire before any great damage was done to the engine.

**KILLED IN ACTION**  
Former residents of that section will be interested to learn that Mr. and Mrs. Mike Daugherty, of Sigel, have been advised by the war department that their son, Pvt. Don Daugherty, previously reported missing in action, died of wounds received while fighting in the Philippines.

Warren Lodge of Moose Will Burn Their Mortgage Sunday

J. Jack Stoeck, of Steubenville, Ohio, Regional Director of the Loyal Order of Moose will pay an official visit to the Warren Lodge on Sunday, February 21. While in the city he will be in charge of the mortgage burning ceremony which will take place on that day. Warren Lodge No. 109 has planned to hold a celebration in the burning of the mortgage on their handsome building on Hickory St., but due to the war and the demand that all celebrations be made secondary to the war effort the Lodge in its patriotic endeavors has foregone changes in its plans. It had been planned to bring a number of National Officers, etc., but for the duration of the war it has decided not to hold any large gatherings.

However a large class of candidates will be taken into the order on Sunday the class being dedicated to Regional Director Stoeck. There will be many visitors present from neighboring lodges and the affair will be a pleasant one.

The Warren Lodge of Moose was organized by Joseph Walsh, of Pittsburgh and William A. Walker, of Warren. The charter was in effect April 10, 1909. The order grew rapidly and the present fine building was placed in its present form in 1928. It is complete in every way with parlors, social rooms, dance floor and beautiful lodge room. In the basement are four fine bowling alleys. In buying and remodeling the structure a debt was incurred which has now all been paid and the mortgage burning on Sunday will place the building in the hands of the local branch of the order on a solid financial basis.

There is a large membership at the present time and the organization is one of the leaders in all civic movements looking to the betterment of the city and its interests.

J. Jack Stoeck  
Class to be initiated Sunday by Warren Lodge No. 109 Loyal Order of Moose will be dedicated to Mr. Stoeck.

had on hand Nov. 28, less 1 pound for every member of the family, 14 years of age or older. You were told to make a note of coffee on hand Nov. 28 when coffee rationing began. If there are five members of your family—Pop, Mom, Grandpa, a boy of 18 and a girl 12—you would be entitled to have four pounds of coffee on hand only one pound or less for each person over 14, you would print a big "O" in the blank space, or write "None". If you had six pounds of coffee on hand and there were four members of your family over 14, you could enter in the blank space the figure "2".

If you have lost your Nov. 28 inventory of coffee on your shelves, or if you can't remember it, they'll probably ask you to guess.

Second, enter in the blank space at the right of question 2, the number of people in your household over 14 years of age for whom a War Ration Book No. 1 was issued. In the five-member family given above as an example, the number to enter would be "4". The 12-year-old daughter would have a book for sugar, but could get no coffee.

Third, figure out the number of cans of goods you're entitled to have on hand. Suppose your Feb. 21 inventory shows that you have on the pantry shelves four cans of fruits, eight cans of vegetables, six cans of vegetable juice, five cans of soup, one jar of chili sauce and three bottles of catsup. That adds up to 27 units. All right, there are five members of the typical family as listed above. They're entitled to have on hand five cans per person, or a total of 25. So, in the blank space at the right of question 3, the correct figure to enter would be "2". (27 minus 25.)

Fourth, put in the blank space opposite question 4, the number of persons for whom you are making application for Book No. 2. In the family example given, the number would be "5".

Finally, print the names of the members of your family, and opposite each name put the serial number appearing on the War Ration Book No. 1 issued for that person.

Sign your name and put in the address, and then you're all set to go to register for your Book No. 2. Be sure to take this consumer declaration form with you, and also the War Ration Book No. 1 for every person for whom you're applying for a Book No. 2. If you don't take the Book 1 with you, you won't be given a Book 2. As a warning, note that the penalty for making a false statement on this form is 10 years' imprisonment, or \$10,000 fine, or both.

Inductees Will Be Given Rifle Training Here

Citizens of Warren county anticipating military or armed service are to be given an opportunity to receive rifle marksmanship training under a nationwide program sponsored by the National Rifle Association with the cooperation of the War Department. It was announced by Mr. Yagge of the Warren Rifle Club and Comptroller of the school has been given by the National Association. Mr. Yagge said, and preparations already are under way for the opening of classes by March 1st.

The instruction methods and equipment to be used by the local clubs will follow closely those recommended by the NRA for all small arms firing schools throughout the country under its direction and are in line with the small arms training methods of the Army and Marine Corps. It is through this program that the National Rifle Association hopes to materially increase the percentage of men being inducted into the service with a basic knowledge of rifle marksmanship. With both time and the amount of ammunition available for training purposes at a premium, recruits already trained in marksmanship lighten considerably the burden on military instructors and may be called upon to assist in instruction of other recruits.

Since expansion of our armed forces began only one or two out of every hundred recruits knew how to handle a gun intelligently, and under our present increased war program men with that knowledge will be virtually assured rapid promotion.

Local club officials disclosed that their course also coincides with that of the N. R. A. to the extent that it will train its men to be instructors in addition to giving them fundamental marksmanship training for themselves. The school will be conducted with military type 22 caliber rifles using ammunition released for this purpose by the government and, Mr. Yagge pointed out, this type of arm is being used for basic training by all the services and that the fundamentals learned with the bolt action .22 can be applied immediately to any other gun, including the service Garand and Springfield. Under preliminary plans the local school will consist of six two hour sessions held each week, beginning in March. The classes will be held at the Warren local armory range.

The assurance that school work will be handled by competent instructors can be given, Mr. Yagge also said, following N. R. A. approval of Paul Yagge as chief instructor, and the following men to serve under him as assistant instructors: Perry Roger Mahaffy, Pat Dorrance, Alfred Nielsen.

State Legion Head To Talk To Civic Clubs

A combined service club luncheon at the YWCA activities building at noon Monday and the annual Washington's birthday dinner-dance at the American Legion Home the same evening will provide a busy schedule for Daniel C. Hartbauer, of Pittsburgh, department commander of the Pennsylvania American Legion, and Mrs. Archie M. Miller, of New Cumberland, state president of the American Legion Auxiliary.

The luncheon at 12:15 is being arranged by officers of the recently formed Warren Civic Council, which is made up of representatives of the six local service clubs: Rotary, Kiwanis, Lions, Exchange Club, Zonta Club and Business and Professional Women's Club, and takes the place of individual club meetings for next week.

Besides Commander Hartbauer and President Miller, luncheon guests will be Commander John Mead, of the Chief Comptroller Post, and Mrs. Elmer Munksgard, president of the American Legion Auxiliary.

The time for making reservations for the luncheon has been extended to nine o'clock this evening and calls may be made either to Paul Braunschweiger or directly to the YWCA activities building, 450.

More than 100 reservations have been made for the dinner-dance at the Legion Home Monday evening, when the two state leaders will tell of their prospects and plans for the coming year and the evening will conclude with dancing to the music of Jerry McCune's Orchestra. This party is limited by capacity of the home to Legionnaires and their ladies, Auxiliary members and escorts.

A number of other distinguished visitors will accompany the two state heads, including Joseph Oensider, of Oil City, district commander; Mrs. A. Bruce Dennison, of Greenville, western vice president; Mrs. C. A. Atkinson, Freeport, western director; Mrs. Laura Byhams, of Kane, president of Inter-county Council, and Mrs. Robert Russell, of Gustav City, Americanism chairman.

Obituary

MRS. ANNA L. BARRETT

Funeral services in memory of Mrs. Anna L. Barrett, widow of William E. Barrett, were held at one o'clock Thursday afternoon at the home of her son, Edward, at 338 East Fifth avenue, conducted by her pastor, Rev. J. E. Kifer, of the First Free Methodist church. Rev. Kifer chose as his text the 90th Psalm and read Tennyson's "Crossing the Bar." During the services two of her favorite hymns, "Abide With Me" and "Good Night and Good Morning," were beautifully sung by Mrs. H. F. Sigworth and Mrs. Roy Roberts. The beautiful floral offerings expressed the love of many friends. Interment was made in the family lot in Marienville cemetery, with the following as bearers: Wade Lester and Eugene Harriger, Forest Erwin, Robert Sandrock and Clifford Knowlton.

Those attending the rites from a distance were Mr. and Mrs. Ward Barrett, Hamilton, O.; Mr. and Mrs. C. M. Harriger, Mr. and Mrs. Eugene Harriger, Mr. and Mrs. Forest Erwin and Jean Marie Erwin, Bolivar, N. Y.; Mr. and Mrs. Robert Sandrock, Niagara Falls, N. Y.; Mrs. Belle Webster, Summerville.

FREDERICK S. STRICKLAND

Due to a regrettable omission in the obituary of Frederick S. Strickland in Thursday's issue the impression was given that the funeral was to be held from the home today. As a matter of fact it will be held Sunday afternoon at two o'clock, with burial in the Stilston Hill cemetery.

Red Cross Has Message From Folk in China

Dr. and Mrs. W. R. Bairstow, 110 Market street, have just received a communication that is indicative of just one of the many services being rendered at home and abroad by the American Red Cross and its affiliates.

Coming through the communications division of the International Red Cross at Geneva, Switzerland, the message is from Yang Paoling and his family, located in the special administrative area at Tientsin, Hopei Province, China.

The elder Yang requests the Bairstows to inform his children, three of whom are in this country and visit in Warren frequently, that the father and mother, two brothers and a sister in China are "safe and well."

Raymond Yang, who did graduate work in international law at Yale University, is now in the employ of the Chinese government in Washington, D. C., and another son, Yang, Tien-Wei, is convalescing in a sanitarium at Wallingford, Conn. Miss Jean Yang, a daughter, is also employed by the Chinese government in Washington. She has set the date of February 27 for her marriage to Frank B. Leung, Chinese boy now in Washington, the ceremony to take place in the Chevy Chase Presbyterian church.

Plant Fired in Crash Of Aerial Giant

ing. Hobbs's son, Fred, was among them.

The Boeing Company, attributing the crash and the holocaust that followed to "a fire which developed in an engine in the course of a regular test flight," disclosed that the crippled craft kept in communication with the landing field up to its final tragic plunge.

It said the crew reported a fire started in one motor and was extinguished momentarily by automatic carbon dioxide equipment, but it flared up again and spread over one wing.

The bomber lost altitude, sheared through two high tension wires to cut off most of the city's electrical service, and crashed into 10 or 15 minutes later it would have caught dozens more workers in the building as they returned from their lunch hour.

Many workers were believed trapped in an elevator by the crash, and plummeted to their deaths by the severing of the hoist cable. Screams of animals added to the pandemonium. Dozens of workers barely escaped with their lives—dashing through smoke-filled rooms, smashing out windows, leaping to the ground or clinging to outside windows until rescued.

ARCANUM MEETING

Considerable interest was shown by members in the meeting of Conewango Council, No. 115, Royal Arcanum, held last evening at the American Legion home. It was decided to hold all future meetings in Warren and a committee was appointed to secure a suitable hall. The next meeting will be held at the S. F. of A. hall next Tuesday at eight o'clock, when new officers will be elected to fill the vacancies.

WELCOME SERVICE

Final arrangements are set for the welcome service at the Salvation Army citadel for Brigadier and Mrs. Ralph Miller tonight at eight o'clock. Judge Allison D. Wade will preside and other speakers include Dr. J. A. Davidson, president of the Ministerial Association, and Meryl Ruess, boys' secretary of the Y. M. C. A. The musical feature of the evening will be a cornet duet, "Fame and Fortune," played by Leella Matha and Betty Anderson, and Mrs. Charles Lucas, pianist.

SEEKING POSTMASTER

Applications will close February 26 for the fourth class postmaster-ship at the Pittsfield post office. The examination will be held in Warren. The compensation for the postmaster at Pittsfield is \$1100.

MUST BE FIFTEEN

Announcement made some days ago relative to securing coffee for children on Ration Book No. 1 has brought from the Ration Board a ruling that the children must have been 14 when the book was issued to get coffee now.

WILL HIKE SUNDAY

The Allegheny Hiking Club will have its usual hike next Sunday afternoon, meeting at two o'clock at General Joseph Warren Park. This is the club's 104th trip and will again be in the vicinity of Warren and another new hike.

LEAGUE CANCELS

An announcement from the YMCA has been made to the effect that the usual Monday Night "Y" league games have been cancelled to allow the players and faithful fans who follow the league to attend the Red Cross benefit game on Beatty court.

CAN SEE ECLIPSE

Warren folks will be able to see the eclipse of the moon tonight if they are out of bed at three minutes after 12. This will be a three-quarter "blackout" of the moon and will be the only eclipse visible in this area this year. The moon will move into the earth's shadow at 12:03 a. m. and move out at 3:13. It will be at its height at 1:30.

NO LEAVES FOR TEACHERS

The New Castle school board has ruled that teachers will not be granted leaves of absence to enter war work. The board announced its decision after refusing the request of a teacher for a leave until September to engage in farm work. Members said the granting of leaves for war work would handicap the school system with a shortage of teachers.

Germans Are Speeding to Dnieper River

(From Page One)

fresh triumphs along a 400-mile front.

In the north, the Russians stormed within 30 miles of the major German base at Orel, 200 miles below Moscow, and drove on at a rapid clip beyond Kharkov toward Poltava 84 miles away.

Bitter winds and snowstorms added to the misery of the fleeing Nazis.

The Russian command said Red army troops captured 60 towns and villages, killed 1,000 Axis soldiers and took 1,500 prisoners in the westward drive from Rostov, while in the Caucasus the remnants of some 200,000 Nazis were pinned tighter against the coast.

Presumably, large numbers of the Germans in the Caucasus had already escaped across ice-covered Kerch Strait to the Crimea or had been evacuated by sea from Novorossiisk.

Front line dispatches said that west of Kharkov Soviet artillery smashed German counter-attacks and mobile units dashed in to batter at the flanks of the German troops and speed the retreat.

The closest large city west of Kharkov is Poltava, which well may be an objective. A city with a population of 100,000. It is 84 miles west of Kharkov, on the river Vorskla, and is the center of Russia's sugar territory.

Remnants of the German Kharkov garrison fled in the direction of Poltava because it lies on the Kharkov-Kiev railway and is the only city of any size on the great Ukrainian steppe, now lashed by bitter wind and snow storms, to which the Germans could withdraw.

British Are Moving Uu on Two Flanks

(From Page One)

130 miles northwest of the Mareh line. Rommel's smashing 66-mile advance spearheaded by heavy new Mark VI tanks appeared to have come to a standstill.

(Map of Tunisia by "left" will be found on page four.)

Gen. Alphonse Juin, the French commander-in-chief, said the Nazi drive had been "broken after decisive action of American tanks" and "German large-scale tank attacks have been warded off by good shooting of British artillery."

An Italian communique, however, declared that "local operations in central Tunisia are still in progress" and asserted that the Axis had captured 2,876 prisoners and seized or destroyed 189 tanks, 95 armored cars, 36 mobile guns and 66 other guns.

These figures were not confirmed by Allied sources, although it was officially admitted that American losses were heavy.

The Fascist communique also reported that Axis forces had repulsed an Allied attack in the northern sector, where Lieut. Gen. K. A. N. Anderson's British 1st Army was been operating.

A testimony to American valor in their first all-out clash with Rommel's veteran campaigners came in a front-line dispatch from Harold V. Boyle, Associated Press war correspondent, who wrote: "The bloody battlefields, littered with broken vehicles marked with the cross of Germany as well as the star of America, testify that

the Nazis had no margin in courage.

"As one who watched for three straight days as American tankmen threw away their lives in a gamble to stem the onward avalanche of the German armored force, I for one couldn't question the decision to withdraw."

Boyle said the Americans, who were reported equipped with only 28-ton tanks against German 60-tonners, fell back in good order without any sign of panic.

# Falcons Spread Wings Over Dragon Territory Tonight

## Best Falconer Team In Years Plays Locals On Beaty Tonight At 8:30

Falconer faces the Warren Dragons on the Beaty gym tonight with one of the best teams they have brought into competition for years and are gunning for the locals with a reputation paralleled by no outfit they've had for the last five seasons.

Boasting two stars on the cast for the Dragon classic tonight who are rated high in scoring records of the Lake-Front league up Chautauque way the Falconer five is after their first taste of victory over Warren since 1933 when they won a close 26 to 23 count.

Shel and Quint Peterson are a brother act that should be a treat to fans to watch with their accurate shooting and fast floor work from the forward position, while the rest of the team includes a well-rounded bunch of players with Anderson at center

## Covering The Sports Front

—WITH—  
"BOB" JOHNSON

Something of interest to local sportsmen should be the recent cutting of the timber on the hills from which Tubbs Run emerges and comes down into one of the most beautiful streams in Pennsylvania.

There seems to be considerable agitation regarding the logging operations and it will be interesting to watch the outcome.

You see, Tubbs Run forms the waters for the Tionesta Fish Hatchery and is a stream that countless numbers have seen and admired because of its beautiful surroundings plus the beneficial qualities to the continuation of the fish rearing that has been going on so many years down there.

We agree that something should have been done by the state to keep this tract from being cut, because it is inevitable that the next few years will see the drying up of it.

Beaver trapping has reached full swing and should be successful for the ones able to make the stretching of a trap line possible.

An expected large toll is looked forward to, but from this corner's outlook, it doesn't seem at all probable that any records are going to be set although they certainly would be if so many men weren't already in service.

Recent surveys have shown a very large crop of the furred ones, but how anybody can get the time to trap them is beyond us and if there is a large toll accounted for, we'll get a red face for the benefit of the prognosticators.

However those who can make it out once in awhile—Remember that within ten days an affidavit must be made out to sell them and the game protector must seal it—No special license is required for trapping them.

Frank Regan, former University of Pennsylvania whiz has been made a captain in the marines. That Red Cross benefit game deserves a huge crowd after the way all those connected have offered free services—Get around early Monday night and you'll see plenty of action.

This warmer weather will find the sucker fishing booming again on the banks of the old Conewango—Did you say warmer?—Sure, those hardies don't need the mercury over 25 to start feeling the urge and they'll be there—and if it gets colder they'll only have to chop a hole in the ice to do it anyway.

The blue chips fall to the Dragons tonight, although it will be a battle royal when these Falcons get going.

Come early to be sure of a seat, because after the showing the locals have put over in the last couple of weeks, that 600 crowd they performed for at the Erie Vincent Tilt is going to stretch.

## Nugent Gives Best Wishes to New Phil Owners as Frick Is Certain of Closing the Deal

Philadelphia, Feb. 19.—(P)—The new owners of the Philadelphia Phils—whenever they are—will take over the National League's problem team with the best wishes of retiring president Gerald P. Nugent, who never could do much with them himself.

"I wish the new owners—I have no idea who they may be—good luck," Nugent said, "and they'll need it. No matter how much money you have, you need plenty of luck in baseball."

Such was the graying ex-magistrate's swan song to the big leagues, voiced after the National League bought up his stock on a forced sale and announced that a re-sale would be made within a week.

The buyer presumably will be a syndicate headed by William Cox, New York lumberman, and including Lt. W. Potter Wear, naval intelligence section, Philadelphia, and Capt. G. Herbert Walker, army air force, stationed at Dayton, O.

"The choice of prospective buyers has narrowed to one group," Ford Frick, league president, announced, "I am as certain as anything on this earth that the deal will be closed within seven days."

John B. (Jack) Kelly, Philadelphia contractor and 1928-32 Olympic rowing champion, said an interested syndicate which he headed had not been told "the club is yours" and added "I assume that means Cox is the successful bidder."

Lt. Wear, meanwhile, said he understood the league had rejected Cox's original bid, but accepted a later, higher offer.

"However, I am out of the picture until a new set of figures is submitted to me," he added.

## IRISH CAGE SQUAD TO BE PALLBEARERS

South Bend, Ind., Feb. 19.—(P)—Six members of Notre Dame's basketball squad will serve as pallbearers for their late coach, George E. (Doc) Keogan, at his funeral tomorrow and then will leave for Chicago for a game with Great Lakes tomorrow night.

Notre Dame authorities had planned to cancel the game, scheduled as part of a double-header at the Chicago stadium, but Mrs. Ruby Keogan, widow of the veteran Irish coach who died of a heart attack Wednesday night, requested that the contest be played.

The game originally was scheduled as the first part of a twin bill but will follow the Kentucky-DePaul contest.

Ed (Moose) Krause, one of the greatest players developed by Keogan in his 20 years as Notre Dame's cage coach and now an assistant coach, will be in charge of the squad for the Great Lakes game.

The Rev. Hugh O'Donnell, C.S.C., president of Notre Dame, will sing the funeral mass in Sacred Heart church on the campus and the Rev. Wendell Corcoran, C.S.C., pastor of St. Joseph's church of South Bend, will give the sermon.

Keogan will be buried in Highland cemetery, near the Grave of another Notre dame coach—Knute Rockne—who signed Keogan to his first contract here in 1923.

**Former Stars In Tilt With Seconds**  
Former Warren High basketball greats who are still available for a game and most of whom are currently appearing with the Blomquist Furniture team in the "Y" league, are set for a preliminary tonight before the Dragon-Falcon classic with the Second team of the Blue and White.

This aggregation will include Jim Urbanski, Bud Matthews, Bob Lunquist, Al Buerkle, Mike Bleech and several others who have seen action in past years with the Dragons. The tilt will start at 7:30 sharp.

**Last Night's Bouts**

## Benefit Game Is Expected to Attract Large Crowd as Rivalry Hits High Pitch

The Red Cross benefit game is set for Monday night at 8:00 p. m. and is expected to draw a big crowd for the benefit of this worthy cause with the Dragon-Falcons game and the Harry Sumner's Warren High School band to provide the action for the outing.

Keeping the secrets close to the enemy camp, it is hard to ascertain whether the faculty has a good enough team to take the Dragons, but from all reports they are good enough to enter any competition in town and come out on top. (We call them the enemy camp because it's difficult to name the Dragons that).

Facing the locals with a team that has sprung from colleges all over the country, the faculty enters the wars with the Dragons as one of the most formidable to date and everyone concerned is offering their talents free of charge, while the fans only have to put up a 20 cent fee to attend.

Joe Massa, star of former Dragon teams and a college player of renown is a forward and a ten second man on the field.

Bob Jewell the center can place the ball in the hoop from any angle available and is a fine floor worker.

Homer Fleming, one of the other forwards and an under the basket whiz with a near 100 percentage under the hoop.

Jack Reddecliffe, hefty guard who can screen from nearly every corner, to allow his fellow players opportunities to drop the oval.

Harry Sumner who will handle the other guard shot and is probably as fast a faculty player as seen in years, around warren circles.

The game Monday will be one of the most enjoyable affairs seen on a local gym in years and it is hoped to gain a big sum from it to start off the next Red Cross drive with a bang.

Warren Dragons will start their same winning combination they've had so much success with of late and it will be a tough battle before the end of this tilt.

## Problem of the WIRE CAGE

Chapter 28  
"I'M HALF afraid to have the film developed," Hadley continued. "It's too good to be true. After being hoaxed and flummoxed by White, Rowland, Chandler, and everybody else—"

Dr. Fell grunted. "Well, it is easily settled. We can develop it here. And, by the way, we're going to develop it now! What in the name of Bacchus are we waiting for?"

"No, you don't," said Hadley sharply. "Hey!"

"Sit down," the other ordered, with a measured grimace. "You don't touch that film for just a minute yet. There are a couple of questions I want answered, and answered straight. First: do you think you know how Frank Dorrance was murdered?"

"I think so," said Dr. Fell, muttering. "I don't say I think so. I only we could find."

"Yes, I suspected that was coming. Now I'll tell you why I ask. You remember the 'missing article' you were kicking up so much fuss about this morning, the thing that disappeared out of the pavilion?"

"I do."

"Sergeant Betts found it in the drawer of the dressing-table in Arthur Chandler's bedroom," Hadley told him grimly. "And on the knob and end of it, there is a fine set of fingerprints."

There was a pause.

Dr. Fell sat back in the vast leather chair, twitching slowly and noisily. A breath went over his face, and agitated his small nose. He puffed out his cheeks. "That's all right," he said. "My answer to your earlier question is now an unqualified yes."

"Good!" said Hadley. "Before you go any further, you are now going to tell me how, why, and who." He raised his hand. "I won't say for my own part, mind you, that I haven't got a dim idea of the line you're working on. I have, particularly after that incident . . . but you tell it. Or, so help me, that blasted film goes out of this house and stays out."

Dr. Fell indicated a chair, and "Sit down," he said seriously.

"Light a cigarette. And, if you like, I will tell you how, why, and who."

"Now, Hadley, you shall guess the answer for yourself. It's not hard, and you are an intelligent man. You will guess it easily when I mention a few small points you have seen for yourself; and you will see it with unclouded clearness when I give you one other point which you don't know but which everybody else in the case does know are the hints."

Again Dr. Fell contemplated cigar-smoke.

He spoke vacantly.

"One. How was Frank Dorrance persuaded to go out on the tennis-court? Hold on! I know it has been suggested, over and over, that it was a wager. But don't you see that this still does not answer the question? Suppose the murderer had said to him, 'I can walk on the net; I can dance a jig on my nose; any fantastic wager you like. Do Dorrance would have accepted the wager. But would he have gone out on the court?'"

"Why should he? Dorrance, we know, was an immaculate and rather dandified young man who hated getting his shoes mucked up. Why should he have gone on the court? Couldn't he have got just as good a view by standing on clean grass, and watching from there? The voice of common sense whispers that he could. What, therefore, enticed him out as far as that?"

Dr. Fell paused, looking at his companion with a hard, suggesting eye.

"Go on," said Hadley.

"Two," pursued Dr. Fell. "The article stolen from the pavilion, later found by you in the drawer of Chandler's dressing-table. Think about it."

"Three. I call your attention to the way in which a common or garden variety of tennis-court is built."

"Four. This point is a repetition of something we debated today."

To be continued.

## First Half Champs Get Test Against Struthers as Rocks Face Mighty Irish Tomorrow

The first half champions, the Blomquist Furniture team, meet the Struthers—Wells five, who have been in a frepsy since their near win over the O'Connors of Sheffield last Saturday and are ready for their first win over the Furnituremen when they clash tomorrow night on the "Y" gym at 7:30 in a classic that should draw a large crowd.

Taking the rap from the Irish by a close score last Saturday found the Struthers finally getting into a victory groove and whether they keep it up or not tomorrow night will decide if they stay in the running for the league championship.

Manager Hoffman has rearranged his starting aggregation and they seem to be the much sought after winning combine he has searched for in the past six contests.

In the second contest the Rock Cleaners will match the O'Connors in a feud tilt that has always brought out the fans to witness. The Rocks are after undisputed hold on second place and the O'Connors must keep them from it to get into the playoffs with their expected win over the Bloms on next meeting.

Taken by injuries in the past few weeks, Manager Nick Greola has finally brought his team back into intact formation and if Johnny Pawk and Willard Zerbe appear tomorrow night it will be a battle worth seeing by everyone with the brilliant works they are used to turning out on the local "Y" court.

The first game is slated for 7:30 and the second will get into session at 8:30 and a capacity crowd is expected.

**SUGAR BOY COLLIDES WITH WILSON TONIGHT**  
New York, Feb. 19.—(P)—Ray Robinson collides with Sergeant Jackie Wilson in the year's top welterweight brawl tonight in Madison Square Garden, and from this fust the folks figure to find out just how much was taken out of Ray by the first defeat of his career.

A couple of weeks ago, the skinny Harlem Hammer's all-winning string of 139 fights as amateur and pro was snapped when Jake Lamotta, a rugged Bronx belter, punched him around for ten rounds in Detroit.

And a couple of weeks before that, Jake did the same to Wilson, who, as California Jackie, is not to be confused with the Pittsburgh featherweight of the same name.

**FOUR HIGH SCHOOLS CAN TAKE TITLES**  
Pittsburgh, Feb. 19.—(P)—Four high schools can win sectional honors by defeating their opponents in WPIAL basketball games tonight.

Ambridge can take the section 3 title by winning over Beaver Falls; Scott must defeat Bradock to take the section 7 title; Rochester must defeat Beaver for the section 11 title, and Sewickley township must defeat Youngwood for the section 26 title.

### ONE KILLED IN BLAST OF BRIDGEPORT PLANT

Bridgeport, Feb. 19.—(P)—John Murray, 55, of Norristown, died today, first fatality in an explosion which wrecked the powerhouse of James Lees & Sons Co., woolen yarn manufacturers, late yesterday.

Eight others were severely injured and one, John Macolini, 48, also of Norristown, is not expected to live.

Windows were shattered and workers were struck by falling plaster, shelves and window frames when the blast let go in one of three boilers used to heat the plant, which employs 2,000.
